

**¿Cómo hacer
un diagrama
de flujo?**

The background is a solid light orange color. It features three stylized, darker orange cloud shapes in the upper half. In the lower half, there are two dark orange, stylized leafy branches or bushes, one on the left and one on the right, positioned as if growing from the bottom edge. The overall aesthetic is minimalist and modern.

1. Definir el propósito y alcance

¿Qué deseas lograr?

¿Cómo hacer un diagrama de flujo?

PROPÓSITO

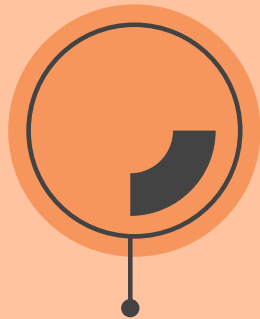

Falta de internet
en casa

The background is a solid light orange color. It features three stylized, rounded orange clouds in the upper half. In the lower half, there are two dark orange, stylized foliage or branch-like shapes, one on the left and one on the right, positioned as if growing from the bottom edge. The overall aesthetic is minimalist and modern.

2. Identificar las tareas

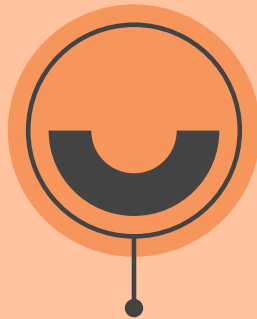

En orden cronológico

¿Cómo hacer un diagrama de flujo?

PROPÓSITO

Falta de internet en casa

TAREAS

1. Verificar si el router está encendido.
2. Si está encendido, reiniciarlo.
3. Verificar si se restableció el servicio.
4. Si el problema persiste, llamar a soporte técnico.
